

Notes

Project

It lasts for a limited time, usually with an agreed start and end-date,•

- ONE-OFF: It is not something that is repeated
- DELIVERS RESULTS: It creates a product, service or result, often based on agreed requirements. •
- NOT SMALL: Requires non-trivial effort, often of more than one person
- In an organisation (i.e. job) anything that is not a project is referred to as an
- OPERATION unless it's just too SMALL to be a project then it's an ACTIVITY
